Dear Members & Friends

Thank you for your engagement and ongoing support throughout the past year — with special mention to our valued members.

Looking back, AusCham has delivered a record number of **relevant and engaging events**, collaborating closely with several of our key corporate members. Some highlights included our official 35th Anniversary event in May featuring Swiss Federal Councillor **Guy Parmelin**; and later in the year, a milestone event with HSH **Prince Max** from Liechtenstein, Chairman of LGT, both in collaboration with H.E. **Elizabeth Day**, Australian Ambassador to Switzerland & Liechtenstein, the

Australian Embassy, Switzerland and other partners.

We also had the opportunity to work with key partners in presenting sold-out events on topical themes, including Artificial Intelligence, Menopause in the Workplace, Energy Transition, and Executive Search — the latter marking our first ever event in Lausanne.

We are grateful to our colleagues and institutional partners — including the Australian and Swiss Embassies, Switzerland Global Enterprise, Swisscham, and fellow Chambers of Commerce across Switzerland, and the Liechtenstein Chamber of Commerce & Industry — for their continued collaboration and knowledge sharing. AusCham also remains active within the [Australian Business in Europe](#) (ABIE) network - which celebrated its 50th Anniversary this year - working alongside other Australian chambers and associations to provide reciprocal event access, strengthen advocacy efforts, and represent our members' shared interests.

Our sincere thanks go to our [Board members](#), who generously contribute their time and expertise on a voluntary basis. Special mention to our long serving Board member, Andrew Busby, who is currently on medical leave (see below).

We always welcome your ideas for future topics and speakers, and look forward to seeing you at upcoming events. Visit our [membership](#) page on the AusCham website to explore the benefits of being part of our community and [join our mailing list](#) to stay updated on news and upcoming events.

Wishing you and your families a wonderful festive season and a positive start to the new year ahead.

Kind regards

Vicki Tanner

andrew busby

Since joining the AusCham Board in 2014, Andrew Busby has been a tremendous source of support and insight, contributing both in a personal capacity and as a Partner at Deloitte AG, a key corporate member of AusCham.

Pictured above (in an Aussie scarf of course!) with Andrew are AusCham members and Australia's entry to the Eurovision contest held in Bern earlier this year, demonstrating as always his enthusiasm, dedication to Australia, and passion for all things Australian!

Andrew's presence and contribution in the last half of this year has been sorely missed and we send him our warmest wishes for a full recovery.
